

Mixed Party Trips on Stellwagen Bank Cod, Haddock or School Tuna

Enjoy fishing for [cod](#), [haddock](#), pollack, wolffish, monkfish or school tuna! Fishing has never been better than aboard Big Fish Charters "Mixed Party Trips". Just take a look at our [recent Cape Cod fishing reports](#).

We have received a lot of inquiries from people who cannot find enough people to make up a full party but who really want to fish for [cod](#) or [school tuna](#) and other fish with Big Fish II Charters along Stellwagen Bank.

To accommodate you, we have established the following dates as "Mixed Party Trips" or "Make-Up Trips" where we will take the first six people per boat who call us and sign up for that date. You may be alone or have two or more people who also want to make the trip to Stellwagen Bank for incredible deep sea fishing. [Cape Cod](#) is the place to be! All Wednesdays will be Mixed Party Trips on one of [our boats](#) and we may open up other weekdays if demand warrants. Fish for [Cod](#), [Halibut](#), Pollack and more off the shores of Cape Cod. Deep sea fishing has never been more adventurous than on board a Big Fish Charter.

Many people have requested Mixed-Party Trips two or more days in a row because they have long drives and want to fish several days. **You can fish one of these days or several days in a row.**
